

Product Data Sheet

SERION reagents

Name of product	Rheumatoid Factor Absorbent Bulk
Order No.	RF00R
Lot No.	Lot specific
Product description	Goat Anti-Human IgG (Fc) Serum
Immunogen	Purified heavy chain of human IgG, whole molecule
Application	Removal of rheumatoid factor by absorption
Filtration	0.2 µm
Preservative	< 0.1 % sodium azide
Storage	2 – 8 °C
Date of manufacture	Lot specific
Expiry date	Lot specific (when stored under recommended conditions)
Health statement	Inspected and certified free of Rinderpest, foot and mouth disease, contagious bovine pleuropneumonia and negative for Blue tongue.

For research or manufacturing use only. Not for use in diagnostic procedures.

Analysis:

Test	Method	Specification
Titre	Becker Titer	≥ 15 mg/mL
Total Protein	Biuret Method	50 – 150 mg/mL

Date: 2021-12-13
